Highland Township has many natural areas, parks, and other beautiful natural features that make it a unique place to live. The Highland Conservancy 5k Nature Challenge is designed to introduce Highland residents and visitors to some of the great aspects of Highland including the Highland Recreation area and the Dodge 10 Park. The 5k will start near the railroad tracks by Highland Feed, continuing down Livingston road EAST (on dirt roads) to Pettibone Lake Road SOUTH, finally looping back to the starting point.
